La falegnameria MCM nasce in Sardegna, a Villacidro, nei primi anni '90 e, grazie a oltre 30 anni di esperienza nel settore della lavorazione del legno e della produzione di porte interne in massello e arredamenti su misura, è diventata un punto di riferimento nel campo.

Il nostro impegno nell'utilizzo di legnami pregiati e selezionati, unito alla maestria artigianale, alla ricerca stilistica e all'uso di macchinari all'avanguardia, ci consente di trasformare il legno in opere uniche e curate.

I nostri modelli spaziano dallo stile classico a quello più moderno, per soddisfare ogni gusto e necessità.

La nostra mission è mantenere uno standard produttivo e qualitativo elevato, continuando a presentare prodotti caratteristici e innovativi, sempre garantendo la sicurezza e l'affidabilità che ci hanno contraddistinto nel corso degli anni.

Con MCM, puoi contare su soluzioni d'arredo che combinano tradizione e innovazione, conferendo un tocco unico e distintivo a ogni ambiente della tua casa.
